LOOK, HOW SHE'S SO SHINY !

Our partner and producer is situated in Castellon-Spain. He has promising and young production. Thanks to this good quality field, we are able to guarantee you a delicious clementine with always a brilliant leaf.

The result of a long and very good hard-work before harvest. No doubt, Salvador is really good at what he does.

We begin at the same moment as last year. A season which announces a little less of volume but bigger sizes. Because of the heat wave during the summer, the fruit set has been affected.

We start the exportation on Thursday 10 of October. Are you ready?
