HAPPY NEW YEAR 2018 !

This year, we are expanding and grow richer of a new greedy range.

A faithful diversification to the Miss Tonic values: the quality - the know-how and the wealth's producers from Murcia. See you in the spring for new flavours!

ORRI - THE GOLD SMALL CITRUS.

“OR” or “ORRI” is one of your favorite. It’s easy to peel with few seeds. Thanks to its balanced flavour, very sweet and a little spicy, ORRI seduce your customers.

How to resist to its qualities: Brix 14 to 15% - nearly 55% of juice – between 12 and 14 segments of pleasure. Increasingly exported, Europeans markets are major export destination. The season has started yet.

The volume will be less than last year but the “ORRI” is always good to taste. Miss Tonic is going beyond borders to propose you it.

Don't hesitate to contact us for your orders. First and Premium class.

TOMATO IN ALL ITS FORMS!

Our partner from Almeria **“Frutas Goostar Spain”** is expanding its range and performing qualitatively with the arrival of new excellence producers. We have presented our crush farmers yet . Today, we introduce the new one; **“Plum tomato specialist”**.

A smooth, firm and fleshy tomato. Still appreciated and used for cooking. **“Canilé”** is one of the best variety.

The growers owns 6 hectares that starts from December to May. The perfect product to catch up your clients and will complete their tomatoes range.
