#2019, A NEW START !

2019 begins with the opening of the new "Miss Tonic" citrus store and the arrival of the "PLUS" service. We rely on quality and service to satisfy you better.

EASY ON THE EYES

We are finally settled in our new shop, located in Alquerias (Murcia). All the conditions are thus met to develop the distribution of "Miss Tonic" citrus. Three workstations run at full capacity: packaging 5-6-10-15kg net-girsac-lfco.

Currently with the "primofiori" variety for lemon and the "naveline and navelate" varieties for orange; volume and quality are present.

We are at your disposal for all your programs.

“PLUS” SERVICES

In order to satisfy the demand of our French clients; From march , **“Miss Tonic” will offer a “PLUS” service.**

A development directly related to production with a particular service for each client. A strong and assiduous team will represent you and will continue to be on the ground.

More information, please contact us : fruits@misstonic.com

MORE...

COLD SNAP

The current low temperatures with frost, complicated the veg's situation and volumes were less important.

But now, we should find a normal situation.

PREMIUM TOMATO

Thanks to our partnership with “Goosta”, we offer you excellence in tomatoes.

So beautiful and so delicious to taste and besides it is organic.

Try and you will be conquered.

THE YELLOW GOLD

We have been offering you since summer a gourmet Spanish selection **“Le Jardin de Vanessa”** : Organic extra virgin olive oils, organic gazpachos and 100% natural olive dips.
